

# 2 MINUTES/2 SLIDES/2 QUESTIONS

AMSSM

April 29 - May 3, 2006

Wyndham Miami Beach Resort

Miami, Florida

This is a format that has proved to be an informative and entertaining way to present interesting cases, practice pearls, etc.

## INSTRUCTIONS:

Presenters will be asked to present their "pearls" in no longer than 2 minutes and with no more than 2 slides. Following each presentation, audience members will be allowed to ask no more than two questions. Then we will move on to the next presentations. Those presenters who go over their allotted time limit will find their projectors dark and the microphone rather silent.

Note: For PowerPoint Slides – you cannot have any major overlapping of elements (i.e. all elements must be visible on each of the 2 slides in their final state). Examples:

Legal: showing an x-ray than having arrows pop up to point out area of interest.

Illegal: Having text over most of the slide than having an x-ray pop-up and cover/obscure some of the text.

**The 2 Minutes/2 Slides presentation must be received at the AMSSM National Office by December 15, 2005. Abstracts received after this deadline will be returned.**
